Letter No. 12033/Secl 2. Dated 29-11-35.

Requests for reasons explained that the University need not be called upon to bear any expenditure on account of the Travelling and halting allowances of the members of the Rep. Assembly who attended the Convocation on 9-10-1935 and adds that the University is prepared to pay the difference in Railway fare as between the University and the Rep. Assembly rate provided proper certificate is furnished by the members that they travelled in I class.

As the meetings of the Representative Assembly Commenced from the 8th October 1935, all the members of the Representative Assembly who are also members of the Senate except Mr. H.B. Gundappa, and J. Mahomed Imam have been paid travelling and daily allowances for all the days they attended the meeting, including the 9th October 35. Mr. H.B. Gundappa has drawn only daily allowance for all the days including the 9th Oct and Mr. Mahomed Imam has taken daily allowance for all the days except the 9th Oct. for attending the R.A. meetings. Since the Rep. Assembly meeting came off first, all the members who have performed journeys in that Connection & who have drawn the D.A., have been paid only the return Second & third class fares according to the R.A. rates and the question of paying the members the difference in railway fare as between the University rate (first class) and the Rep. Assembly rate (Second class)

does not seem to arise at all especially ~~Cannot be taken up~~ in view of the fact that All the members who have already drawn their D.A. (except Mr Gundappa & HS Imam) have already furnished a certificate to the effect that they have travelled in the Second class. It is now therefore ~~a point for orders whether~~ appear to be reasonable that all the members of the Senate, who are also members of the Rep. Assembly and have performed their journeys to attend the meetings of the Assembly shows be treated as entitled to the travelling allowance at the rates allowed for attending R.A. meetings & the expenditure should be debited to R.A. funds; & the University not called upon to bear any expenditure on account of D.A. of these members for having attended the Convocation on the 9th October 35, as requested by the Registrar. If this view is accepted Messrs Gundappa Gowda & Mahomed Imam will be paid Railway fare & the latter daily allowance for the 9th Oct. & their ~~all~~ D.A. bills for the balance due to them sent for their signature & return to this office for audit and adjustment.

2 Mr. G. M. Chandrasekhar is not entitled to any allowance as he has already drawn in full his D.A & T.A. & the claim has to be rejected.

which Commenced on the 8th October & continued for a week. The Convocation Came in the middle on the 9th. In These Circumstances, the R.A may grant the T.A & D.A for all the days & They be allowed at R.A rates. This will also Conduce uniformity. Now most of these persons have taken D.A & D.A at R.A rates, & it would not be reasonable to allow a few of them higher rates.

OFFICE OF THE SECRETARY, REPRESENTATIVE ASSEMBLY LEGISLATIVE COUNCIL 30 NOV. 1935

FROM

V. GOPALASWAMI AIENGAR, ESQ., M.A.,
Registrar, the University of Mysore,
Mysore.

To

The Secretary,
Representative Assembly
and Legislative Council, Bangalore.

Sir,

With reference to your letter No. 1836, dated the 13th November 1935, regarding the payment of travelling allowance paid in October 1935 to certain members of the Representative Assembly who are also members of the Senate of this University, I am directed to invite kind attention to Government order No.E.5741-2/Edn.6-23-3, dated the 8th May 1924, according to which, when a non-official member attached to the several bodies connected with the University combines a journey for University duty with other functions, the travelling allowance to be paid by the University is limited to the railway fare and mileage for one journey and daily allowance for the day of the University work.

On account of the return journey concession allowed by railways, the application of the Government order may present some difficulty. Besides it will be seen that the Representative Assembly was in session from the 8th to the 15th October and the attendance at the Convocation held on the 9th represents a small public service compared with attendance at the Representative Assembly session. Thus it would appear that the University need not be called upon to bear any expenditure on account of the travelling and halting allowances of the members of the

University of Mysore.

Representative Assembly who attended the Convocation on the 9th October.

It has to be pointed out, however, that while the University pays travelling allowance at a first-class plus a third class, the Representative Assembly pays at a second-class plus a third class. It will therefore be fair that the University pays to each member the difference in railway fare as between the University rate and the Representative Assembly rate provided the certificate of having travelled on the railway journey by the first-class is given.

If the proposal is agreed to, the members will be informed accordingly. I am to enclose for perusal Mr.Gundappa's bill and another from Mr. G.M.Chandrasekharx, from which it will be seem that Mr. Gundappa has claimed halting allowance for the 9th October and Mr.Chandrasekhar travelling allowance for the journey and halting allowance for the 9th. The payment made to these in respect of attendance at the Representative Assembly meetings may kindly be verified.

I have the honour to be,

Sir,

Your most obedient servant,

A. N. Narasimhia
